A Perfect Fit

Wine Women & Shoes is a highly successful fundraising event platform that offers sponsors a unique opportunity to place their business in front of an ideal but hard to reach demographic: affluent, savvy women.

These smart, sophisticated events combine whimsical wine education with a metaphor women understand well — shoes. The Signature Event features wine tasting, auctions, an exciting fashion show and a walkaround designer fashion marketplace.

Created by women for women, all who enjoy fine wine, great style, female camaraderie and supporting a noble cause, Wine Women & Shoes is one of the fastest growing luxury event series in the country, doubling the number of event markets in just three years.

CASA of Kern County is thrilled to bring this event to Bakersfield for a fifth year and to be working alongside Wine Women & Shoes' expert team, who has managed over 60 well-attended events and helped net over \$35 million dollars for their charity partners. Together, we can ensure your business reaps benefits too.

Attendee Profile

Wine. Women. Shoes. Just three words that elicit another three words: “Count me in!” This nationally recognized brand generates excitement everywhere it goes, and CASA of Kern County anticipates our event will sell out well in advance.

Known for furnishing affluent, educated, mostly professional women a relevant and lighthearted environment, Wine Women & Shoes events encourage meaningful interaction, female empowerment and financial support for the cause, in this case, CASA of Kern County. Our ticket prices this year will be \$125 general admission and \$175 VIP, attendees typically donate or spend an average of \$200–600 at this event.

We expect over 400 attendees, 80% women ages 30 to 55. Ranging from CEO moms to 30-something young professionals, they:

- Are key influencers, taste makers and connectors in their communities
- Are charity supporters, socially conscious and community minded

The Concept

Wine Women & Shoes is the brainchild of Napa Valley vintner Elaine Honig, who for 21 years ran marketing, branding and communications at Honig Vineyard & Winery. During that time, she realized that women (who comprise 60% of wine consumers) were an underserved market, and wine events designed for women just didn't exist.

Inspired by a playful conversation with a friend, she conceived “the fine art of wine and shoe pairing”. A year later she founded Wine, Women & Shoes — a unique, licensed, turnkey event platform uniting fundraising, wine and fashion.

Wine Women & Shoes' affairs are festive — with a feminine soul. The atmosphere is supportive and empowering as together, attendees sample fine wine, shop designer fashions and cheer each other on during the fashion show, all while demonstrating their commitment to a charitable cause.

Elaine's well-formulated, proven strategy and her team's tactical expertise enable them to hit the ground running — in stilettos no doubt — to help charities stage every event and create a win-win for all parties involved. Sponsors are guaranteed many valuable opportunities to expose their business to a large, targeted and attentive audience.

The Signature Event

This event is a feast for the senses, incorporating a walk-around wine and food tasting, designer marketplace, live auction and glamorous fashion show that all come together for a few fabulous hours of fundraising, camaraderie and shopping.

While attendees are sampling wine, grazing on gourmet food and trying on shoes, fashions and accessories, we can showcase your business in a number of ways. Your business logo can also appear on branded giveaways in goodie bags handed out to every attendee. And perhaps, for even better exposure, provide us with shoe guy or model volunteers, or be one yourself!

In addition, leading up to the event your business logo will appear in all printed materials and signage; our website and the Wine Women & Shoes website; and in local print, TV and radio spots. 5,500 invitations will go out for this event and over 12,000 impressions of your logo will occur over the time span (depending on your sponsorship level).

There are numerous other opportunities to reach attendees with your brand that can be creatively customized to your offering and preferences.

Shoe Guys

Everyone loves the Shoe Guys.

Tempting guests with their charm, good looks and a single shoe on a silver platter, Shoe Guys are a highlight of every Signature Event. There to help generate sales and excitement, they'll happily explain why a strappy silver sandal goes well with a Sauvignon Blanc, or how a Cabernet Sauvignon pairs with a black stiletto pump.

Besides the obvious fun of flirting with hundreds of attractive women at a sophisticated, upscale event, being a Shoe Guy can provide excellent promotional opportunities for your business and more personal access to this unique demographic of attendees.

CASA of Kern County is pleased to offer these “soleful” opportunities for men in our local community. We invite you to become one!
